# GRAPESICLES

TRY THIS HEALTHY SNACK ON A HOT SUMMER DAY—FROZEN GRAPES WILL POP IN YOUR MOUTH!

- 01 Thread six grapes, alternating grape colors, onto each wooden skewer.
- 02 Place skewers into the freezer for 30 minutes, or until frozen.
- 03 Serve immediately.

**Note:** Skewers have sharp edges, so monitor younger children while eating, or take the grapes off the skewers for them. Grapes should be cut in half for children under 3 years old to prevent choking.

- ✓ Children can rinse the grapes, freeze them, and thread the skewers.
